

CHANGE OF FOOTPATH ROUTE

A change of route is planned for the footpath at Coryton Fatrm, shown below. The change will mean users will in future avoid going through an active farm where there are health and safety risks. If you have a comment regarding this planned change, please contact the Parish Clerk 07800 826657 or by Email: kilmingtonparishclerk@aol.com

Path to be created		(315m)
Existing footpath		
Unclassified county road		

Meg Booth
 Director of Climate Change, Environment and Transport

Dangerous Footbridge Closed

The foundations for the footbridge over the Corry Brook, just north of Fordhayes Farm, have washed away. This has left the bridge in a dangerous condition, so it is now closed until repairs can be made.
