New Housing Development

Outline Planning Application Published

Following the information already published and the public consultation event in June last year, the outline planning application for the new housing development alongside the A35, between George Lane and The Old Inn, has now been published: *'with access to be determined and all other matters reserved, for up to 41 dwellings with associated access, public open space, landscaping, drainage and infrastructure, including the provision of acoustic mitigation.'* You can view them on the EDDC website:
https://planning.eastdevon.gov.uk/online-applications/applicationDetails.do?activeTab=documents&keyVal=TKSQH7GHKPC00

and you have the opportunity to comment on the outline plans.

A hard copy is available for viewing in St Giles Church and at The Beacon.

Your Parish Council will be holding another public consultation meeting to fully brief you on what we know, summarise how we got here, outline the planning application, explain what action the KPC have already taken over concerns you previously raised and we will present our reaction to the published outline plan.

This is your opportunity to ask questions and give us your feedback.

This will be the biggest single development the village has seen, and it will have an impact on all our lives.

We hope you will join us.

Kilmington Parish Council
