

# KILMINGTON PARISH COUNCIL

## Parish Footpaths Officer Required

The Parish Council are looking to appoint a new Footpaths Officer. This voluntary role involves regularly walking the Public Rights of Way (PROW) within the parish and reporting any issues requiring attention to the Parish Council and the Devon County Council PROW footpath Liaison Officer.

This is an important role as it helps to ensure that the footpaths and bye ways in the Parish are safe to use and properly signed, with no broken stiles or gates, missing signs, or blocked paths.

We are looking for an active person who enjoys walking in the countryside and wishes to make a contribution to the Community and the environment.

If you are interested in volunteering for this role, please contact the Clerk to the Council:-
