

## **IMPORTANT NEWS**

### **20<sup>th</sup> March**

Dear Members,

We are writing today, to inform all members of Kilmington Gardening Club, of the decisions made by the committee.

Our responsibility is to ensure the health and safety of all our members together with external visitors. For these reasons and following Government and expert advice, the committee have taken the decisions indicated below.

1) **TALKS:** All talks are **cancelled** until September.

2) **VISITS:** All visits are **cancelled**.

3) **PLANT MARKET:** The plants for this event have been ordered. Some alternative arrangements on purchase and collection are yet to be decided. (Further information will be conveyed at a later date.)

4) **VILLAGE SHOW:** The event due to take place on 25<sup>th</sup> July has been **cancelled**.

We are sure you understand the reasoning behind our decisions. We sincerely hope that as we emerge from this difficult time, we will reconnect, by email and welcome members back to our events. Please also look at our Gardening Club website. In the meantime, if you know a member who does not have an email address, could you please notify them of the above news?

Thank you very much for your ongoing support. Our sincere hope is that you and your loved ones keep safe and well in the weeks ahead.

With our warmest wishes,

Gill and the Kilmington Gardening Club Committee
