

Kilmington Parish Council

Coronavirus Neighbourhood Support Group

Newsletter November 1st

We hope this letter finds you well. It seems almost certain the Government will vote on Wednesday to put the country into 'Lockdown'. This letter tells you where to get information and help in Kilmington should you need it. We plan to resurrect the volunteer help system that worked so well earlier in the year and just update it where necessary. We therefore ask you to follow the following guidelines. Then, if you need further help, contact one of the team below.

Volunteer Helpers: If you were offering help to 'vulnerable residents' previously, we assume you will kindly continue, unless you tell us otherwise. Please make contact to reassure them you can help again. If you are now unable to provide assistance, please let Peter Ball know who you were helping.

Vulnerable Residents: If you were receiving help from a volunteer neighbour previously and now need help, please contact them again to ask if they can assist you during this this next 'Lockdown'. If they are unable to help, please contact Peter Ball and he will arrange for another volunteer to call and assist you. If you did not need help previously but do now require some assistance, contact Peter.

Axminster Medical Practice: Residents have been collecting their own prescription medicines for some time now. However, if you are within the 'vulnerable' category and do not now wish to visit the practice, please contact Sally.

Parish Council Support for Kilmington residents is available from:

Peter Ball:	pball@kilmingtonvillage.com	07747 636810
Stafford Seward:	sseward@kilmingtonvillage.com	07799 612557
Sally Huscroft:	shuscroft@kilmingtonvillage.com	01297 32243

As always, official information can be found at:

Kilmington Village Website has links to Parish Council, National Government and Devon Council sites. Information about

Kilmington Council Notice Boards display Parish information.

The Kilmington Now Facebook site also has some important updates from Kilmington Parish Council.

Wash Hands – Cover Face – Make Space
