

IMPORTANT NOTICE

LOCAL SUPPORT FROM KILMINGTON PARISH COUNCIL

Dear Kilmington Resident,

Please be kind enough to read this important letter. Your Parish Council are here to help and support you during this worrying period, when you may have to self-isolate due to the Coronavirus. As your local elected representative body we wish to support all the parishioners in the Community and provide local help for those who need it during this crisis.

The Clerk to the Council is liaising closely with East Devon District Council and Devon County Council who are working together with Government and other National Public Bodies. We will be passing on to you any relevant important information.

The Village website **kilmingtonvillage.com** will provide the main source of this information with links to District and County Council and National Government bodies. It will be updated as necessary. Some information will also be posted on village notice boards.

To try and help you through this crisis the Parish Council is pulling together support from all village groups, businesses and residents and has set up a Kilmington Neighbourhood Support Group. This is being coordinated by Kilmington Little Helpers.

If you are in the vulnerable / self-isolating category we are organising:

- Someone to do your shopping, post a letter
- Collection of your prescriptions.
- Emergency support by local tradesmen.
- A helper will be appointed as a personal point of contact for your household.

Please call Sally, Stafford or Peter who will be coordinating the Support Group and volunteers. See contact details below.

Sally Huscroft: shuscroft@kilmingtonvillage.com 01297 32243

Stafford Seward: sseward@kilmingtonvillage.com 07799 612557

Peter Ball: pball@kilmingtonvillage.com 07747 636810

For Kilmington Little Helpers to be fully effective, it is vitally important that we are able to contact every household in the Parish. We are aware that some residents value their privacy and do not normally give out their contact details. Also some may have no internet connection, computer or mobile phone coverage.

Continued overleaf

We will be contacting everyone in the Parish.

If we have an email address for your household we will send a copy of this letter by email please check your mailbox and spam folder.

If we do not have an email address for your household we will deliver or post a letter to you. **In this case, can you please email your contact details to pball@kilmingtonvillage.com . If you do not use email, please telephone Sally Huscroft (01297 32243), Kilmington Little Helpers to give her your details so we know to contact you by other means.**

To help protect all our volunteers in the event that you contract or are confirmed as having the virus, can you please inform The Kilmington Neighbourhood Support Group. Our support will continue.

The Parish Council wish to assure you that we are only asking for this information in order to support you through this serious threat to public health. We will only use or share the data for this purpose. If you have any concerns on this issue, please telephone the Clerk to the Council. (Tel. 01404 43220)

Are you able to volunteer?

To provide an effective service we would welcome assistance. If you would like to help us and are able to offer any assistance we would be very pleased to hear from you. If you are self-isolating, we would still value your help from home eg: friendly telephone support calls.

Please look at the Village website for all official information and links to the District and County Council and Government / National Public Service organisations.

We will also be working with the Facebook Group **KilmingtonNow** as all methods and means of contact are important.

However, the Village Website and Village Notice Boards remain the only official sources of information.

The Parish Council through the Support Group will continue to keep in contact with you and give support. In the meantime, please stay safe and follow the official guidance.

Adrian Jenkins,

Clerk to Kilmington Parish Council
