

KILMINGTON COMMUNITY CINEMA YOU HAVE MADE IT POSSIBLE

You exceeded our hope and expectations, and our Target. The money raised will allow us to purchase all the cinema equipment we need and provide a sound system which everyone one will appreciate the clarity and quality.

All of you have been very generous with your contribution but I must acknowledge the Kilmington: Players, Gardening Club, Parish Council, EDCC & DCC for their very generous donation and Millers Farm Shop who gave a generous boost at an early stage of the appeal.

As soon as cinemas are allowed to open, we will be ready and look forward to seeing as many of you as social distancing rules allow. Having our own equipment means we will not be restricted by the economics of reduced audience numbers.

If you enjoyed watching films on the BIG screen and would like to get involved, there is more to the film shows than film night so please get in touch with me, details below. How much additional help will be required will depend on how successful we make our Community Cinema, and that will be up to all involved and the community coming along to see the films.

The Crowdfund appeal closes midday Wednesday 3rd February.
